190,000+ Ballots will be Mailed to Hillsborough County Voters Tuesday

Hillsborough County, FL –Hillsborough County Supervisor of Elections Craig Latimer will mail more than 190,000 Vote By Mail ballots to voters on Tuesday, July 24.

“Vote By Mail has become increasingly popular, because it’s such a convenient way to vote. Voters don’t have to worry about when or where to vote. Their ballot arrives in the mail and they can take time at home to research candidates before marking their ballot,” said Craig Latimer, Supervisor of Elections.

In Hillsborough County, Vote By Mail ballots arrive with a postage-paid return envelope, so after voters have marked their ballot and signed the envelope, they can just drop the sealed envelope in the mail. The ballots can also be returned in person to any of the Supervisor of Elections offices or Early Voting sites (during Early Voting). Hillsborough County will have 19 Early Vote sites open August 13 – 26, 10 a.m. – 6 p.m.

Voters have until 5 p.m. August 22 to request a mail ballot for the Primary Election, and ballots will be mailed within two days of receiving those requests. Voters can also visit any of the four Supervisor of Elections offices and have a Vote By Mail ballot printed for them.

Voters should allow at least a week for ballots to reach the office by mail. All Vote By Mail ballots must be in the Supervisor of Elections office no later than 7 p.m. August 28 to be counted.
