Hillsborough County, FL – Today, Supervisor of Elections Craig Latimer verified that All For Transportation has collected the required number of petition signatures, as specified in section 8.03 of the Hillsborough County Charter, for their proposed charter amendment to appear on the November 6, 2018 General Election ballot.

The Hillsborough County Charter requires that the number of verified petition signatures of registered electors must be equal to at least 8% of the total votes cast in the county in the preceding presidential election (in this case, 48,745). The signatures collected must also include a number of electors equal to at least 8% of the votes cast in each of two districts. In accordance with Section 8.03, Supervisor Latimer has notified the Hillsborough County Board of County Commissioners that this petition initiative has met the threshold.

As of 3:30 p.m. today, the Hillsborough County Supervisor of Elections validated a total of 50,709 petitions. More information can be found at <https://www.votehillsborough.org/About-Elections-Voters/Petitions>

Hillsborough County Charter Amendments must be approved by a majority vote in a countywide election to become effective.
