2020 Primary Election Registration Deadline Approaching

Hillsborough County, FL – Florida voters have until Monday, July 20, to register to vote (if not already registered) or change party affiliation for the 2020 Primary Election. Florida voters can update their name or address any time.

Florida has closed primaries, but there are nonpartisan races on the Primary ballot. Voters will receive a Democratic ballot, a Republican ballot or a nonpartisan ballot, depending on their party affiliation. All ballots will include nonpartisan races for School Board and Judicial seats, and for Universal Primary Contests in which all candidates are affiliated with the same political party.

The 2020 Primary Election includes a countywide Universal Primary Contest for Clerk of the Circuit Court and Comptroller. There is also a Universal Primary Contest for State Representative for voters living in State House District 70.

For those who still need to register to vote or make a party change, the simplest way to make the update is online at RegisterToVoteFlorida.gov. Voters can also fill out a registration application at the Supervisor of Elections offices. Three of its offices are open until 5 p.m. today (the County Center office is closed), and all four elections offices will be open extended hours, from 8 a.m. to 6 p.m., on Monday, July 20.
