A runoff election is a second election held when the first election does not result in a clear winner. For the City of Tampa and Plant City municipal elections, a clear winner would need to receive at least 50% of the vote plus an additional vote, otherwise a runoff is necessary to determine the winner.

the last word

Applications are now being accepted for the Florida State Association of Supervisors of Elections Scholarship. The deadline to apply for this scholarship is March 29, 2019. Find the application form and eligibility requirements at VoteHillsborough.org.
