### Public Service RECOGNITION WEEK

Our team is made up of individuals deeply dedicated to public service and it was an honor to recognize and celebrate them during Public Service Recognition Week. Thank you to all who work in public service roles, for your dedication and for the positive impact you have on our community every day.

## MILITARY APPRECIATION MONTH

May is Military Appreciation Month, and I was honored to start off the month as a participant in the Subcommittee on Elections Roundtable on Military Voting at MacDill Air Force Base.

The roundtable was hosted by U.S. Representative Laurel Lee, who serves as the Subcommittee Chair, and also attended by the Sarasota and Charlotte County Supervisors of Elections, veterans and military personnel, all with a common goal – to ensure that members of our military and their families have easy and secure access to voting, wherever they may be deployed.

## 2023 ELECTION RECAP

In April and May, our office conducted the City of Plant City Municipal Election and the City of Tampa Municipal and Runoff Elections. A big thank you to our poll workers and my staff for doing a *fantastic* job to ensure those elections ran smoothly.

Next up is the Presidential Preference Primary in March of 2024. #AreYouReadyToVote?

*You and your team were great to work with and I received several comments from citizens stating how helpful all of you were in the process!*

*I am VERY impressed with the Supervisor of Election's speedy and very helpful response and follow-up to my concerns. I really appreciate you taking the time on what must be a very busy day. Looking forward to voting today and I will let others know about your excellent work.*

*I heard nothing but good accolades from [Sun City Center Men's Club] members about Craig and how he responded and made himself available. It was really a good opportunity for us and thanks again for all your help in getting him down here.*
