June 2023

## SUMMER LEARNING

Last month, election officials and staff members from across the state gathered at the Florida Supervisors of Elections (FSE) Summer Conference to discuss the important work we do to conduct elections in Florida. The topics we focused on included election workers, Vote By Mail, voter outreach and much more. Our Secretary of State and the director of the Division of Elections also joined us to provide guidance on new election legislation.

## AND THE CLEARIE AWARD GOES TO...

Every year, the U.S. Election Assistance Commission recognizes election officials for outstanding work they have done to improve election systems and promote best practices. We are so proud to have won a 2022 Clearinghouse Award for Outstanding Innovations in Elections and an Honorable Mention for Best Practices in Recruiting, Retaining, and Training Poll Workers!

These awards recognize process improvements for managing poll workers and reporting election night results.

## LET'S STAY IN TOUCH

There are many reasons why it's important for you to stay in touch with our office, even before we get into the 2024 election cycle. We continue to register new voters, help current voters make updates, process Vote By Mail requests and verify candidate and initiative petitions.

### Here's what you can do this year

**1** Make sure your registration information is up to date. This includes your home address, mailing address, name, party affiliation and signature. Review your Voter Information Card, or use the Voter Information Lookup tool ([VoteHillsborough.gov/voterlookup](https://VoteHillsborough.gov/voterlookup)) on our website to see if anything needs updating.

**2** If you prefer to vote by mail, submit a new request to receive Vote By Mail ballots for the 2024 elections. You can **submit a request on our website** or by calling our office at 813-744-5900. To see if you already have a request on file, open up the **Voter Information Lookup tool** and enter your name and birthday. Once your information loads, click on the 'Upcoming Elections' tab. Then, scroll down to see if you're scheduled to receive a mail ballot for the elections you're eligible to vote in next year.

**3** Watch our **VoteHillsborough Video Series**, a long series of short videos, to learn more about the work our office does. These videos will give you a better understanding of the voting process and how elections run in the state of Florida.

**4** **Mark your calendars for the 2024 elections!**

### PRESIDENTIAL PREFERENCE PRIMARY ELECTION

*Deadline to Register/Change Party: February 20*
