Successful Manual Audit of 2017 Special General Election

January 4, 2018. Hillsborough County Supervisor of Elections Craig Latimer reports that a post-election manual audit of the voting systems used in the December 19 Special General Election has been completed successfully under the direction of the Canvassing Board. Florida's election laws require the manual audit to confirm the integrity of the tabulation equipment used during the election.

Completion of the manual audit concludes the 2017 Special General Election for State Representative, District 58, and verifies that election results were reported in an accurate and timely manner.

Audit results are posted on the home page of VoteHillsborough.org.
