Early Voting Starts Monday in Hillsborough County

Tampa, FL – For voters who like to vote in person, the wait is just about over. Starting Monday, Hillsborough County Democrats and Republicans can cast their 2020 Presidential Preference Primary ballot at any of 23 Early Voting sites throughout the county.

During Early Voting, voters can go to any Early Voting site and their ballot will be printed for them at the voting location. This is different than Election Day voting, when voters can only vote in the polling place assigned to their precinct.

All Early Voting sites in Hillsborough County will be open 10 a.m. – 6 p.m. from March 2 through March 15. Voters are encouraged to bring a Florida Driver License or other photo/signature ID for voter check-in. The list of Early Voting locations, along with other helpful voting information, can be found on the Early Voting page of the Supervisor of Elections website, [VoteHillsborough.org](http://VoteHillsborough.org).

Voters can also drop their Vote By Mail ballots off at any of the Early Voting sites while they're open for voting. More information is available at [VoteHillsborough.org](http://VoteHillsborough.org) or by calling (813) 744-5900.
