Hillsborough County Supervisor of Elections Craig Latimer Sworn In as President of Florida Supervisors of Elections

Hillsborough County, FL – Today, Hillsborough County Supervisor of Elections Craig Latimer was sworn in as president of the Florida Supervisors of Elections (FSE). He takes office next Monday, May 11, 2020.

FSE, founded in 1964, is a professional membership organization representing the Supervisors of Elections of Florida's 67 counties. The association's goal is to support fair, honest and accurate elections in the state of Florida.

"As an association, the Florida Supervisors of Elections provides support for officials running elections in 67 very different counties. While each of our jurisdictions is unique, it's extremely valuable to have an open and continuing dialogue that allows us to learn from each other's experiences," said Supervisor Latimer. "FSE also allows us to speak with one voice on important issues that affect all of Florida's voters."

Last month, FSE sent a letter asking for state action in response to the health crisis to provide more flexibility around Vote By Mail and in-person voting. A response to the association's requests is expected soon.

Supervisor Latimer brings a legacy of leadership to the association. He is the first Supervisor of Elections in Florida to earn the prestigious Governor's Sterling Award. The Florida Sterling Council, endorsed by the Governor's office and the National Baldrige Program, uses a rigorous series of performance criteria to assess organizations who wish to serve as statewide role models. Prior to running Hillsborough County's elections, Latimer retired as a major with the Hillsborough County Sheriff's Office.
